FARAH

Nm 18,000 50% Cashmere, 50% Linen

reconfirm the real feasibility and about possible price differences.

In our process of production no Azo-dyestuff is used which may, by cleavage of its Azo group, form the amines banned by the German Regulation on the Commodities and listed at the Article 1, Paragraph 2 of the Ordinance enacted by the German Ministry for Health on July 15th 1994.

WASHING CARE

- Hand wash max 30°C
- Steam ironing, max 110°C
- Do not bleach
- Dry cleaning, mid process
- Do not tumble dry
- Dry flat
