

CASHMERE KNITTING BAGS

When do you need a cashmere knit bag?

The knitted bag gives people a soft, intimate and gentle feeling. When you are wearing a soft knitted dress and jumping in the sea of flowers; when you go to a picnic with friends or family, sitting on a red and white plaid picnic mat, smelling the fragrance of flowers and coffee, there is a cashmere quietly lying beside you. The knitted bag brings you more comfortable, quiet and soft enjoyment.
